

THE NEW **MED-JET** MULTIJET

REINVENTING THE ART OF INJECTING

MOST ADVANCED NO NEEDLE INJECTOR

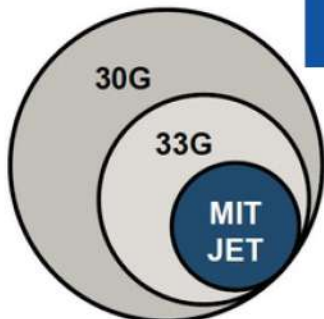

Sterile
Disposable
Cartridges

Much simpler
purging
process &
no loss of
injectable
product.

Technology combining speed,
regulated low pressure,
dosage/volume adjustability,
and accuracy, to produce a
highly efficient method of drug
delivery.

Adjustable dose
by increments of
0.025 per jet up
to 0.3 mL

No Sterilization
Necessary
